Screenplay Breakdown Sheet

Production: _____ Director: _____ Date: _____

Script version: _____ Total pages: _____ Locations: _____ Shoot days: _____

Scene	Pages	INT/EXT · Location	Day/Night	Cast (chars)	Key props	Wardrobe	VFX/SFX

Tip: break down by /8 page (industry standard). 1 page = 8/8. A 2/8 scene = one quarter page. Sum /8s to estimate shoot time.

For deeper element tracking (animals, vehicles, stunts, visual FX) use one breakdown sheet per scene. This summary covers quick planning.
